### WHO WE ARE:

- We are a playgroup aimed at families with children aged 2-4 providing a play-based program run by an experienced Playleader under the guidance of our Early Childhood Teacher from our 3 year old Kindy program.

### WHEN WE MEET:

- Wednesdays 9.30am to 11.30am in the Playgroup room of the Woodlupine Family Centre.

### WHAT WE OFFER:

A safe, stimulating group play experience designed to meet the social, linguistic, creative, physical, imaginative and emotional needs of each child. We plan appropriate play-based activities for children that include:

- Physical play (fine and gross motor), Arts and craft (open ended and parent guided) imaginative, creative and messy play.
- There is also a "mat time" that invites parents and children to join in with singing, music, dancing and stories.

The routine follows that of the 3 year old Kindy Program. A fruit table is set up for children to eat when they are hungry and there is a strong focus on independent behaviour. Our Playgroup offers a unique opportunity for young children and their families to share quality time together, play and socialize. When a parent and child attend playgroup together, the child feels safe and secure and gains confidence to explore the world. Children are also better prepared for the transition to more formal education settings such as early learning and child care, kindergarten and school.

Younger siblings, grandparents and "other halves" are always welcome to enjoy playgroup as well.

### WHAT TO BRING:

- A piece of fruit (to be cut up and shared with everyone) and a labelled bottle of water for the children.
- Morning tea for parents.
- Hats are required for the summer months and when the UV reaches 3 or more and a spare change of clothes (for water play/messy activities)
- Tea and coffee is provided by the Centre.

Casual attendance is \$10.00 per session per family.
